

21

A technical drawing of a dome-shaped object. The dome is rounded and sits on a flat, thin base. Two small, trapezoidal feet extend downwards from the base, one on each side. Dimension lines with arrows indicate a height of 21 from the top of the dome to the top of the base, and a width of 76 between the inner vertical lines of the two feet.

76

41

A technical drawing of a dome-shaped object, similar to the one above but without the base and feet. It consists of a single rounded dome. Dimension lines with arrows indicate a height of 41 from the base of the dome to its top, and a width of 92 across the base of the dome.
