COMBINED WITH
ERGONOMIC ACCESSIBILITY.**

**APPROVED DOCUMENT M
& LIFETIME HOMES COMPLIANT.**

SUPA™ SAFETY STAINLESS STEEL.

DOOR HANDLE

The **Supa™ Safety Door Handle**, part of Mila's Supa™ stainless steel door furniture range, has been ergonomically designed with accessibility in mind.

The curved shape of the extended lever makes it easy to grip and simple to operate, even with a closed fist. The returned end of the lever prevents anything becoming caught on it, providing additional safety. The handle is available in 5 durable stainless steel finishes and has been styled to be easily identifiable for partially sighted.

The **Supa™ Safety Door Handle** is Approved Document M (ADM) and Lifetime Homes compliant.

Curved design combined with extended length helps grip during use & enables operation even with a closed fist

Returned lever prevents things being caught & ensures safety

Easily identifiable styling & available in a range of finishes which provide contrast for partially sighted people

Testing & Accreditations.

The **Supa™ Safety Door Handle** is manufactured from high quality grade 304 stainless steel, has been independently tested to the latest industry standards and is backed by a 25 year mechanical and surface finish guarantee.

BSEN 1670 grade 5 for corrosion resistance, exceeding 1000 hours salt spray

BSEN 6375 achieving 50,000 cycles for operational reliability and weather tightness

BSEN 1906 achieving 200,000 cycles and 100kg lever pull test for extreme durability

5 STAINLESS STEEL FINISHES.
